

NFT 005 : Walkford and Beckley Farms, New Milton

Site Area	93.3 ha
Proposed Use	<p>Extraction of approximately 5 million tonnes of sand and gravel.</p> <p>Up to 2,000,00 cubic metres of landfill void space will be created.</p> <p>The site has potential for non-hazardous landfill restoration and inert landfill restoration.</p>
Site Issues	<ul style="list-style-type: none">➤ The site proposal is large scale and the size of the site facilitates mitigation measures.➤ The site contains a Site of Importance for Nature Conservation.➤ The site contains some archaeological potential, though the extent is not yet fully known.➤ The site is adjacent to a cemetery and residential properties.➤ There is an urban area within 50m. However, this is separated by a railway line, most of which is a cutting.➤ The site is within an Airport Safety Exclusion Zone.➤ The site is crossed by two footpaths.➤ An access route may impact on the New Forest National Park and further assessment is required.

Site Code	NFT 005
